

Please do not remove K-LOVE to a LPFM. People from all over the nation listen to this station. I listen to it every day. Many people find comfort in the music and it shows GOD's love to people. My area is 90.7 and 90.9. I get it everywhere when I travel and I travel alot. The music is very uplifting and appropriate for all ages. Don't take GOD off the airways, that is all some people have is the radio.

Thank you and God Bless you
